

Shoparoo is school fundraising made *easy*. The free app turns pictures of your everyday shopping receipts into cash donations and sweepstakes entries for our school! Yep, it's that simple. No more cutting labels, selling door to door, or time-consuming coordinating. All you have to do is shop as you normally do, snap pictures of your receipts, with the app, and voila! Just shop, snap, earn!

In the last two years, Sunnydale has earned a collective \$1,000 from Shoparoo. We have used these funds to help support the needs of our school. For the 2016-2017 school year, we would like to use any funds we earn, from snapping receipts, to help get more assemblies for our students, as well as cover the cost for the AR student prizes.

As of December 14, we have earned about \$150. Keep on snapping those receipts to help us reach our goal of \$1,000 this school year!

Remember, every receipt counts for something! Grocery stores, pet stores, convenience stores, and dollar stores turn your receipts into money for our school. Every other receipt (restaurants, clothing stores, department stores) will give our school sweepstakes entries to win one of the monthly \$1,000 prizes.

Thank you for all of your continued support of our students!
