**TIMBER TRAILS PTO**

## PTO 2023/2024 Board:

**President:** Takeya Jones

**Vice President:** Sonia Nieves

**Secretary:** Maureen Vander Heyden

**Treasurer:** Georgia Sourounis

---

## Agenda Items: [Notes from our last meeting 10/25/23](#)

1. Principal/ Teacher Report
2. Treasury Update
3. Past Events
4. Upcoming Events
5. Chair People
6. Possible Events

---

## Principal/Teacher Report:

- Is there a "big ticket" item that the school wants that we can raise money for?

---

## Treasury Report:

- Panda Express Fundraiser \$ 21.60 (\$30 less from last year)
- Running total of restaurant night income: \$1,153.49
- Butter Braids \$452
- Rock Painting Event made \$73, spent about \_\_\_
- Nurse supplies-
- Current Balance - \$6,607.22
- Current Month/Upcoming costs
  - Scholastic Payment: \$2,886.61
  - Hot Chocolate for literacy night

- Holiday Shop
- 

## Past Events:

- **Panda Express** - Check is in the mail. Way less participation than last year. What incentive can we think of to promote these events?
  - **Rock Painting**- Small turnout, but those who did, enjoyed themselves. About 10 families.
  - **Trunk or Treat** - We have received feedback that we will take into consideration for future events. Too bad we can't control the weather, but possibly moving this to early October for warmer weather. Would like to have more family participation but were thankful to the high school students who showed up and stayed during the rain!
  - **Butterbraids** - How can we advertise more? Can we make this a contest?
- 

## Current/Upcoming Events:

**Yearbook** - Cover page contest voting.

**Holiday Shop** - We have been shopping hard and have found many good deals to keep the prices low. Most items are less than \$5 but we do have a few items at \$10 and \$15. We currently have 1,566 items bought, do we think we need more? The shop will require volunteer help in order for this to run as we will need at least 2 adults (besides the teachers) for it to be open. We are looking at hosting this event the week of Dec. 11th.

**December Family Event** - This event will correspond with the school's Literacy Night on Dec. 6th. We will be hosting the hot chocolate night. We have PTO today packs to give out. To make the hot chocolate, what are the options? A large orange gatorade container and hot chocolate packets, heating water in croc pots, hot water containers and hot chocolate packets? I think the most cost effective is the large gatorade containers. Does the school have a couple we can borrow for the night?

**December Restaurant Night:** - Mr. Moliwell is hosting this event and the money made will be going towards the musical.

**January Family Event** - We were hoping to host a family fitness night, more details to follow when we can finalize dates and instructors.

**Assemblies - Raptors, Wings, and Talons** - (date)
