

# LHS Summer Reading for Freshman Honors English

Hello, Freshman Honors English Student and Parent:

Over the summer, the freshman honors program would like you to continue your literacy practices. We have included the link for the District's Online Library and ask that you access this and select books that interest you. You can read directly on your Chromebook or another type of device. You may also choose to read other texts that are available to you.

We would like you to read at least **800 pages (approx. 2-3 books)** and keep the attached log of your reading selections. Also, after completing each book, take a moment to write a quick reflection using any of the *Reflection Stems* provided. Reflection should be multiple sentences in length and reflect reading of the story.

Please bring your log and all reflections with you on the first day of school in August.

Thank you,

*Freshman Honors English Teachers, Ms. Halterman and Ms. Whitmer*
