

1st Grade District Math Assessments

Module 1: Sums & Differences to 10 (45 Days)

| Standards | Grading Task | Target Completion Date |
|-----------|----------------|------------------------|
| | Formative Only | 10/2/21 (no entry) |

Module 2: Introduction to Place Value Through Addition & Subtraction Within 20 (35 Days)

| Standards | Grading Task | Target Completion Date |
|-----------------------------|---|------------------------|
| OA12 OA3-6 OA7 OA8 | T2: Adds and subtracts within 20 using equation properties and in word problems | 12/14/21 |

Module 3: Ordering and Comparing Length Measurements as Numbers (15 Days)

| Standards | Grading Task | Target Completion Date |
|-------------------|---|------------------------|
| MD1 MD2 MD4 | T2: Understands measurements of data, length and time | 1/20/22 |

Module 4: Place Value, Comparison, Addition & Subtraction to 40 (35 Days)

| Standards | Grading Task | Target Completion Date |
|-----------|----------------|------------------------|
| | Formative Only | 3/16/22 (no entry) |

Module 5: Identifying, Composing, & Partitioning Shapes (15 Days)

| Standards | Grading Task | Target Completion Date |
|----------------|---|------------------------|
| MD3 | T2: Understands measurements of data, length and time | 4/13/22 |
| G1 G2 G3 | T3: Reasons with shapes and their characteristics | |

Module 6: Place Value, Comparison, Addition & Subtraction to 100 (35 Days)

| Standards | Grading Task | Target Completion Date |
|-------------------------------|--|------------------------|
| NBT2 NBT3 NBT46 NBT5 | T3: Adds and subtracts up to 100 using place value understanding | 5/31/22 |

Fluency (all year)

| Standards | Grading Task | Target Completion Date |
|-----------|---|--|
| OA6 | T1: T2: Fluently adds and subtracts within 10 T3: | 11/5 2/18 5/31 (entry by report card) |
