PREAMBLE

This Agreement, entered into this 19th day of August, 2011, is by and between the Board of Education District U-46, Elgin, Illinois, hereinafter called the "Board," and the Elgin Teachers Association affiliated with the Illinois Education Association and the National Education Association, hereinafter called the "Association."

WITNESSETH:

WHEREAS, the Board and the Association recognize that the ultimate aim of public schools is to provide the best education possible for children and youth in the district, the attainment of positive educational objectives and the formulation of quality educational programs is a joint responsibility of the Board, the administrative and supervisory staff, and the professional teaching personnel; and

WHEREAS, the parties recognize that teaching is a profession requiring specialized educational qualification and that the quality of the educational program in the district is affected by the maximum utilization of the abilities of teachers and the quality and morale of the teaching staff; and

WHEREAS, the Board has agreed to negotiate in good faith with the Association as the exclusive representative of its teaching personnel with respect to salaries, and other terms and conditions of employment; and

WHEREAS, the parties, following extended and deliberate negotiations, have agreed upon the following:

ARTICLE I

Recognition

1.1 ASSOCIATION RECOGNITION

The Board recognizes the Association as the sole and exclusive negotiating agent for the certificated employees of the district except the following classifications: superintendent, assistant superintendents, principals, assistant principals, and other full-time administrative or supervisory positions. High school department division heads, athletic directors or other part-time administrative or supervisory personnel are not included in the negotiating unit. The Board agrees not to negotiate with or recognize any teachers' organization other than the Association for the duration of this Agreement.

The word teacher shall be defined as certificated employee. Certificated shall be the equivalent of the statutory requirement of licensed.

ARTICLE II

Association and Teacher Rights

2.1 NON-DISCRIMINATION

(ASSOCIATION MEMBERSHIP AND ACTIVITY)

Neither the Board, nor the Association, will discriminate against any teacher because of membership or non-membership in the Association, participation or non-participation in negotiations, or because of the exercise or non-exercise of the right to file grievances or otherwise seek legally to enforce this Agreement. The Association agrees that it will fairly represent all teachers.

2.2 RIGHTS BY LAW

Nothing contained in this Agreement, unless expressly so stated, shall be construed to deprive the Board or any teacher of any right afforded by law. Enforcement of any right afforded by law (as opposed to rights created or recognized in this Agreement) shall be had exclusively through the procedures afforded by that law, and not by procedures established by this Agreement, except as expressly stated herein.

2.3 SCHOOL FACILITIES AND EQUIPMENT

2.31 Facilities for Meetings

The Association and its representatives shall have the right to use school building facilities upon prior request at all reasonable hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge therefore.

2.32 Use of Facilities and Equipment

The Association and its representatives shall have the right, upon prior request, to use school facilities, office and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use.

2.33 Use of Facilities by Non-District Personnel

In scheduling the use of school district facilities, school district curricular or extra-curricular activities shall be given preference over

any not-previously-scheduled use of facilities by outside non-school district individuals or groups.

2.4 ASSOCIATION COMMUNICATIONS AND BUSINESS

2.41 Bulletin Boards; Mail Service

The Association shall have the right to post notices of activities and matters of Association concern on bulletin board(s). The appropriate locations and assigned space will be mutually arrived at by the principal and Association Faculty Representatives. The Association shall have the right to use the school district mail service, including teacher mailboxes, for communications to teachers related to its responsibilities as the exclusive bargaining representative. The ETA Office shall be a stop on the regular school district mail delivery route. All postings and correspondence shall be identified as to its source. All mail that is sent to a building addressed to an employee or is placed in his/her mailbox is considered the personal property of that employee and shall not be subject to search or seizure without the employee's permission.

2.42 Association Business on School Property

Representatives of the Association and its affiliates shall be permitted to transact official Association business on school property. There shall be no interruption of operations during the school day. Teachers shall attend regularly-scheduled or emergency building or district meetings when such meetings conflict with Association building meetings.

2.43 Association Representatives Visiting Schools

The Association President, Vice-Presidents and/or UniServ Director(s) shall be allowed to visit schools to investigate teaching conditions, teacher complaints, problems, or for other purposes, relating to Association affairs, provided that they make their presence known to the proper official upon entering the building.

2.44 Announcements at Faculty Meetings

The Association Faculty Representative shall be given an opportunity at each building faculty meeting to present brief reports and announcements subject to prior notice to the immediate supervisor.

2.5 ASSOCIATION-BOARD COMMUNICATIONS

2.51 Information-Sharing

The Association shall be furnished, upon request, all regularly and routinely prepared information concerning the financial condition of the school district and the monthly Board reports and minutes. In addition, the Board and administration will grant reasonable requests for any other available and pertinent information which may be relevant to negotiations or to the processing of grievances. Nothing herein shall require the central administrative staff to research and assemble information. The Association shall furnish copies of pertinent information as reasonably requested by the superintendent or by the Board. The Association will be provided with an administrative structure chart, and with job descriptions of certificated non-bargaining unit positions. Future changes in either will be communicated to the Association as soon as possible. The Board shall provide the Association with a completed copy of the annual audit by October 15th of each year, or within 5 days of submission to ESR, whichever occurs first.

2.52 Association Recognition at Board Meetings

The Board agrees to recognize representatives of the Association at its regular meetings to discuss appropriate topics. To insure proper consideration of each topic, the Association shall submit its request in writing to the superintendent, giving details of the topic to be discussed. Such requests shall be submitted prior to the time the agenda is prepared for the meeting of the Board. The Association shall not use this channel to circumvent the negotiations process.

2.53 Monthly Contract Meetings

Representatives of the superintendent and the Association will meet once a month during the regular school year at a time convenient to both parties for the purpose of discussing the administration of the contract and to resolve problems that may arise. These meetings are not intended to bypass the negotiations or the grievance procedure. Further, each party will submit to the other, at least twenty-four (24) hours prior to the meeting, an agenda covering what they wish to discuss. This agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the Board and the Association for approval, the same as this Agreement.

2.54 School/Department Committees

2.54.1 Composition

The teachers in each school/department and in each of the Special Services Departments shall elect representatives to a school/department committee as follows:

- (a) *Elementary* - shall elect one teacher from each grade level and one teacher from special services.
- (b) *Secondary* - shall elect one teacher from each department and one teacher from special services.
- (c) *Special Services* - shall elect on a ratio of one (1) per ten (10) teachers or fraction thereof in each department, but not fewer than three (3).

Notwithstanding the foregoing, prior to the formation of the committee for any school year, a majority of all the teachers and the building/program administration may mutually agree to vary the size and composition of the school/department committee for their school/ department, provided that in no event shall the school/department committee have fewer than three (3) teachers. Absent such mutual agreement for any school year, the composition of the committee shall be as set forth above.

The committee shall elect its chairperson and secretary.

2.54.2 Scope of Activity

The committee and the administration shall discuss and jointly determine student discipline policies and the use of the building/special services department budget including but not limited to allocations for supplementary texts, materials, supplies, and equipment to be purchased within the confines of the school/department/special services department budget. Two working days before each committee meeting, administration shall provide the committee with a monthly financial report as provided to the Board of Education, and the regular monthly building/special services department budget update. A staffing report will be given at the February and May meetings of the committee as well as reviews of all appeals as stated in 8.1 Excessive Teaching Loads/Caseloads. When staffing changes are needed during the school year and when staffing plans are made for the upcoming year, the committee will make recommendations to the site administration regarding possible configurations.

The committee shall discuss with the administration items which will include but not be limited to: issues regarding the organization and procedures within that school or department and issues within that school or department relating to the implementation of this Agreement or district-wide Board policies. The committee and administration will endeavor to make decisions about how their plans and initiatives should be implemented, including the formation of committees for this purpose, through a consensus process. In the spring, a tentative list of committees/events for the next year will be developed and communicated.

2.54.3 Functioning

The committee shall meet as needed, but not less frequently than monthly with the administration. The committee will prepare and post an agenda on the teachers' bulletin board, or appropriate alternative communication mode, two (2) days prior to the committee meeting. School/department committee minutes will be distributed to all teachers within two (2) days of a meeting. All members of the school/ department committee shall receive copies of the school/ department budget by October 1 of each school year and the regular monthly update each month thereafter.

2.55 Teacher Involvement in Building Planning

The planning of all new building educational specifications shall include the active involvement of Association-appointed teachers.

2.56 Building Policies

Teachers will be advised of building policies and proposed new policies.

2.6 PAYROLL DUES DEDUCTIONS

2.61 Association Dues Deductions

Any teacher who is a member of the Association may sign and present to the Board an assignment authorizing deduction of membership dues in the Association. Pursuant to such authorization, the Board shall deduct such sum as specified by the Association in one (1) full payment or in equal payments starting in the month in which authorization begins.

Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and August 15 of any year. Whenever possible, deductions shall be remitted to the treasurer of the Association within three (3) days after the deduction(s) are made.

A computerized list of the names, employee IDs, and amount deducted from each individual shall also be submitted to the Association within ten (10) days following each deduction. Upon termination of a teacher's employment, the Board shall deduct all unpaid Association dues from the remaining paycheck(s).

The Association shall defend the District and hold it harmless from any claim(s) or liabilities arising out of the administration of this Section 2.61.

2.62 Fair Share

2.62.1

It is recognized that the negotiations and administration of this Agreement entail expenses which appropriately are shared by all teachers who are beneficiaries of said Agreement. To this end, if a teacher does not join the Association, such teacher will:

(a) Execute an authorization for the deduction of a sum equivalent to the proportionate share of the cost of the collective bargaining process and contract administration, measured by the amount of dues required by members; or

(b) Pay directly to the Association a like sum. In any event, the money shall be handled in the same manner as Section 2.61.

2.62.2

In the event such an authorization is not signed or such direct payment is not made within sixty (60) days following the commencement of employment of the teacher or the effective date of this Agreement, whichever is later, the Board shall deduct the Agency Fee in equal payments from the regular salary check of the teacher beginning with the check following notification by the Association. Upon termination of a teacher's employment, the Board shall deduct all of the unpaid Fee from the remaining check(s).

2.62.3

The Association agrees to indemnify and save the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of Sections 2.62.2 above, including reimbursement for any legal fees or expenses incurred in connection therewith.

2.62.4

The Board agrees to promptly notify the Association in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement the provisions of Section 2.62.2 above and, if the Association so requests in writing, to surrender claims, demands, suits or other forms of liability.

2.62.5

The obligation to pay a fair share fee will not apply to any employee who, on the basis of a bonafide religious tenet or teaching of a church or religious body of which such employee is a member, objects to the payment of a fair share fee to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment in behalf of the employee to a mutually agreeable non-religious charitable organization in accordance with the IELRA.

2.62.6

It is specifically agreed that any dispute concerning the amount of the fair share fee and/or the responsibilities of the Association with respect to fair share fee payers shall not be subject to the grievance and arbitration procedure set forth in this Agreement.

2.63 Other Deductions

Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for tax sheltered annuities, Kane County Teachers Credit Union, United Community Fund, insurance or any other plans or programs jointly approved by the Association and the Board. Deduction for tax sheltered annuities shall be transmitted to authorized companies within five (5) business days of each pay day. The Board shall allow teachers to make changes in these deductions in any month as long as the Human Resources Office receives written notice prior to the month in which the deduction is to become effective.

2.7 PRIVATE LIFE OF TEACHERS

The private and personal life of any teacher is not within the appropriate concern or attention of the Board, and the Board shall take no position concerning such activities, subject to the Board's right to evaluate any teacher's competence, performance, or effectiveness as a teacher.

2.8 NON-DISCRIMINATION

The provisions of this Agreement shall be applied without regard to race, creed, color, religion, national origin, age, sex, or marital status.

2.9 ORIENTATION OF NEW TEACHERS

The parties will jointly design a New Teacher Orientation. A block of ninety minutes shall be designated for use by the Association to introduce new teachers to Association leaders and to explain Association programs and services. Additional time may be agreed upon between the Board/designee and the Association. The Association shall bear all costs incurred for this part of the program.

2.10 ASSOCIATION PRESIDENT RELEASE

The Association President shall be released from not less than three-fifths of his/her teaching duties for the purpose of performing his/her duties as Association President. He/she shall be encouraged, but not required, to attend faculty meetings, workshops, conferences, or institutes and shall not be given non-teaching or extra-curricular assignments during the school year. He/she shall be paid on the regular salary schedule and shall be returned to full-time status in the same department upon termination of the period. He/she shall be considered a full-time employee of the district with respect to the Illinois State Teachers Retirement System, all fringe benefits, tenure status, seniority, and placement on the salary schedule.

The Association shall reimburse the District for the salary and pension of the substitute for that portion for which the President is released. The salary and pension shall not exceed an amount equivalent to the beginning salary and pension.

2.11 ASSOCIATION SECURITY

A teacher who participates or intends to participate in any grievance as described herein shall not be subjected to discipline, reprimand, warning, or reprisal because of such participation or intention. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participant.

5.3 TEACHER RIGHTS

Any teacher shall have the right to present grievances in accordance with these procedures and to be represented by the Association. 5.4 TIME LIMITS

The time limits provided in this Article shall be strictly observed. Time limits may be extended by written agreement of the parties or by verbal agreement in scheduling Step II and Step III hearings. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of the grievant and/or involved administrator prevents his presence at a grievance meeting, the time limits shall be extended to such time that said party can be present. When such grievance meetings and conferences are held during

school hours, all employees whose presence is required shall be excused, with pay, for that purpose.

5.5 CONFORMITY WITH AGREEMENT

No grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present.

A grievance may be withdrawn at any level by the grievant.

5.8 PROCEDURES

Any teacher who believes there is a basis for a grievance may discuss the matter informally with his/her immediate supervisor.

The following formal grievance procedure may be invoked by a grievant: (See Grievance Report Form - Appendix A).

Step I (Immediate Supervisor)

The grievant may submit to the immediate supervisor, within twenty (20) school days after the event giving rise to the grievance unless the grievant(s) could not have known about the event in the exercise of reasonable diligence, in which case the period will be twenty (20) school days from the time when the event could have been known in the exercise of reasonable diligence, a statement of the nature of the grievance and provisions of the Agreement allegedly violated, and the relief sought. supervisor to the superintendent. Within ten (10) school days of receipt of the Grievance Report Form, the immediate supervisor shall meet with the teacher and the Association representative in an effort to resolve the grievance. Within ten (10) school days of the meeting the superintendent shall indicate in writing his/her disposition by completing his/her portion of Step II and forwarding it to the grievant. The Association and the immediate supervisor shall be notified of said disposition.

The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding. The Board and the Association shall share equally the cost of the arbitration.

ARTICLE IX

Teachers' Authority and Protection

9.1 STUDENT DISCIPLINE DEFINITION

Student discipline, as used herein, shall mean the expectation and enforcement of a reasonable standard of orderly student behavior to permit effectuation of the educational program.

9.2 DISTRICT RESPONSIBILITIES IN STUDENT DISCIPLINE

The District shall continue to implement a program of identifying cases of students with chronic personality or psychological problems which endanger the success of the educational program, and of attempting correction of such problems to the full extent of available resources and competence. Whenever it is determined by the teacher and principal or his designee that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board shall take reasonable steps to provide the appropriate attention needed by such student. Building principals, and the central administrative staff, shall reasonably support teachers in connection with all matters relating to student discipline.

9.3 CERTIFICATED PERSONNEL RESPONSIBILITIES IN STUDENT DISCIPLINE

Teachers and other certificated educational employees of the district shall enforce student discipline as provided by Section 24-24 of the School Code. It is recognized that discipline problems are less likely to occur in classes, and elsewhere in the learning environment, where student interest in the educational program is maintained at a high level through effective teaching and leadership techniques. It is also recognized that when discipline problems occur, such problems may be dealt with most constructively by encouragement, praise, and emphasis upon the child's positive characteristics. A teacher may, in accordance with district student discipline guidelines, impose usual and customary methods to enforce classroom discipline as necessary in cases of minor breaches of student discipline.

9.4 EXCLUSIONS FROM CLASS

In any case where usual and customary methods fail to correct a student discipline problem, and where, because of the magnitude of the breach of discipline, or the persistence of the misconduct, the educational program is disrupted, the teacher may exclude the offending student from class. The teacher must notify the principal of such exclusion by the end of the class period. The teacher may, in such a case, request that readmission to class be preceded by a private conference between any or all of the following persons: the teacher, the building principal or his/her designee, the student, the student's parents or guardian. If such a request is made the conference shall be held as a condition to readmission. If the student's parents or guardian are requested to attend the conference, and they do not, the conference will be held without them.

9.5 STUDENT DISCIPLINARY RECORDS

Each building principal, or his/her appropriate designee, shall maintain records of student disciplinary matters of which he/she has been made aware and shall make available for review by a teacher an individual student's record in connection with a specific disciplinary problem posed by that student for that teacher. The disciplinary log of high school students transferred from one building to another shall accompany them.

9.6 ASSAULTS UPON TEACHERS

9.61 Recognition of Responsibilities

Assaults on teachers shall continue to be regarded by district authorities as matters of grave concern. Assault is a statement or action which carries with it a threat of imminent physical harm to the employee and a reasonable belief by the individual employee that there is the threat of physical harm. The district recognizes the lawful right of a teacher to protect himself/herself or a student in a case of an unavoidable physical assault. The employee has the right to file a police report if he/she believes that an assault has occurred. In any case when an assault occurs during the assaulted teacher's performance of his/her duties, such assault shall be reported to the immediate supervisor and the immediate supervisor shall immediately report to other school authorities.

9.62 Battery Upon Teachers

Battery is a physical attack upon an employee. Upon written notification, the district shall contact law enforcement authorities to initiate a criminal investigation.

9.63 Legal Implications/Work Time Lost

In the event of an assault on a teacher, the Board shall, upon request, provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in handling the incident by law enforcement and judicial authorities. Work time lost to the teacher as a result of personal injury due to such assault or because of a subpoena to appear as a witness in connection with such assault shall result in no loss of wages to the teacher and shall not be charged to the teacher's sick leave account.

9.7 PARENT OR STUDENT COMPLAINTS

A complaint about a teacher from a parent, student, or other individual shall be made known to such teacher in writing, including the name of the complainant and the nature of the complaint, before any action based upon such complaint is taken against the teacher. The administration shall conduct a thorough investigation to determine if there is a reasonable basis for any action to be taken and/or before any reference pertaining to such complaint is placed in the teacher's personnel file. The teacher shall be notified within twenty (20) school days of the district's decision. When there is a concurrent investigation by a non-district agency, the teacher involved will be notified of said fact and the requirement for notification within twenty (20) school days shall not apply. In the event such an investigation by a non-district agency is ongoing, the teacher involved will be notified of said fact and the requirement for notification by the district shall be five (5) school days from the notification of completion of said investigation or within twenty (20) school days whichever is greater.

9.8 ADMINISTRATIVE INCIDENT REPORT

An administrative incident report about a teacher shall be made known to such teacher in writing and discussed with the teacher at a meeting held within three (3) school days of the incident. The administration shall conduct a thorough investigation to determine if there is a reasonable basis for any action to be taken and/or before any reference pertaining to such incident is placed in the teacher's

personnel file. Such incident report shall be provided to the teacher at a meeting held within twenty (20) school days of the incident except where there is a concurrent investigation by a non-district agency. In the event such an investigation occurs, the teacher involved will be notified that a non-district investigation is ongoing, the teacher involved will be notified of said fact and the requirement for notification within twenty (20) school days shall not apply. In the event such an investigation by a non-district agency is ongoing, the teacher involved will be notified of said fact and the requirement for notification by the district shall be five (5) school days from the notification of completion of said investigation or within twenty (20) school days whichever is greater.

9.9 ASSOCIATION REPRESENTATION DURING TEACHER DISCIPLINE

A teacher shall be entitled to have present an Association representative when the teacher is being reprimanded, warned, disciplined, or dismissed, excluding informal criticisms or suggestions for improvement which do not form the basis of formal action. When a request for such representation is made, no action shall be taken with respect to the teacher until such Association representative is present. Requests from administrators to teachers to attend such a meeting or conference shall be in writing and shall include the purpose of the meeting.

ARTICLE X

General Employment Practices

10.1 PHYSICAL EXAMINATIONS

The Board requires that all new teachers provide evidence of physical fitness to perform duties assigned and freedom from communicable disease. Such evidence shall consist of a physical examination made by a licensed physician of the teacher's choice not more than ninety (90) days preceding the time of presentation to the Board and the cost of such examination shall rest with the teacher.

The Board may require a subsequent examination, in accordance with Section 24-5 of the Illinois School Code, when, in its judgment, such an examination is relevant to teacher performance or status. The examining physician may be selected by the teacher, but must be approved by the Board, and the Board shall pay the cost of the required examination.

Physical examination forms will be available in the Human Resources Office.

New teachers not complying with this regulation within forty-five (45) days of their initial employment will have their first check following employment and all subsequent checks held until compliance is satisfied. Each new teacher shall be advised in writing of this requirement at the time of employment.

10.2 FILLING PARTIAL YEAR VACANCIES

Any teacher employed to fill a partial year vacancy shall be fully certified and shall be assigned only to a position within the scope of his/her teaching certificate and his/her major or minor field of study. Such teachers shall be placed at the appropriate step of the regular teachers' salary schedule. When such fully-certified teachers cannot be obtained as specified above, a qualified substitute may be employed only until such time as a fully-certified teacher can be employed.

10.3 SUBSTITUTE TEACHERS

10.31 Assignments/Salary

Substitute teachers with full certificates in a subject area and/or grade level shall be given priority for assignment when a substitute is required for that subject area and/or grade level.

10.32 Employed for all Teachers; Duties

Substitute teachers shall be employed, when available, for all absent teachers including art, music, physical education, and other special teachers and nurses. Substitute teachers shall be expected to perform all duties normally performed by the regular teacher.

10.33 Long Term Substitute (LTS)

After no later than fifteen (15) days of continuous employment in the same assignment such substitutes shall be considered Long Term Substitutes (LTS).

LTS Rate of Pay:

The LTS shall be paid at BA step 1 of the regular teachers' salary schedule retroactive to the first day of the assignment.

By no later than the fifth (5th) day of assignment the supervisor shall meet with the LTS to identify expectations and necessary related training and/or professional development to support the LTS in the assignment. One (1) day overlap of assignment of the LTS and the contractual teacher shall be available at the discretion of the contractual teacher to facilitate transition. The LTS shall have Association representation rights consistent with those of all ETA members in disciplinary matters. The LTS shall receive one (1) sick day per month sick leave and shall not be eligible for any other paid leave. Need for additional unpaid leave shall not automatically constitute a break in continuous employment but may do so at the discretion of the Director of Human Resources or his/her designee. The continuity of the employment shall not be broken for purposes of avoiding the earning of Long Term Substitute status and its related benefits as identified herein.

10.4 EXTENDED SCHOOL PROGRAMS

10.41 Definition

Extended school programs are defined as any program(s) of instruction offered by the school district outside of regular school hours excluding Gifted Education, and Orphanage Act programs.

10.42 Selection

Extended school appointments shall be awarded on the basis of seniority (most to least) within a specific program of instruction in the extended school. In the event two or more teachers possess the same length of extended school seniority, teachers with the greatest length of service with the district as provided in Section 12.1 shall be awarded the position. Seniority in the extended school program(s) shall be broken by an absence of two consecutive years from such program.

10.43 Qualifications

Teachers may teach only those courses in extended school for which they are certified and qualified.

10.44 Evaluation

Teachers may be evaluated at least once during each extended school program. The evaluation will be for the purpose of improvement of instruction. The evaluation form shall be as set forth in Appendix C.

10.45 Notification to Summer School Teachers

Tentative notification of employment shall be given to summer school teachers by May 15.

10.46 Summer School Payment Schedule

Pay for summer school work shall be paid in accordance with standard payroll procedures. All required records and district material must be turned into the summer school administrator prior to the issuance of the paycheck.

10.47 Rate of Pay

The rate of pay for extended school programs shall be \$28.15 per hour for 2014-15, \$28.43 per hour for 2015-16, and \$28.71 for 2016-17.

10.5 TEACHER INVOLVEMENT PRACTICES

Where possible, when a candidate is being considered for a teaching position, particularly when the candidate is required to have competency in a specialized area, an opinion in judgment of the candidate's competency shall be sought from teachers presently on the staff who possess skills of a similar nature.

10.6 MULTI-ETHNIC FACULTY REPRESENTATION

The Board recognizes the desirability of multi-ethnic representation on the teacher faculty.

10.7 SUBSTITUTES FOR PRINCIPALS/SUPERVISORS

In all cases when a principal or supervisor is absent, the teachers in that school or department shall be informed of the qualified person designated as the substitute principal or supervisor.

10.8 PART-TIME TENURE

The parties expressly agree that in the event a part-time teaching position is agreed to by a teacher who has tenure and there is no interruption in the teacher's continuous service, such agreement by the tenured teacher shall not cause that teacher to lose tenure. A tenured part-time teacher shall accrue seniority in proportion to the time worked.

ARTICLE XI

Vacancies and Promotions

11.1 POSTING PROMOTIONAL AND EXTRA PAY VACANCIES

All openings for principals, supervisors, coordinators, divisionals, and directors or extra-compensation positions shall be posted by the Superintendent or his/her designee. These notices shall be posted in the offices and faculty rooms of all buildings.

These notices will include the job description, effective date of vacancy, kind of certificate necessary, information concerning the securing and deadline for filing of the application, and for promotional positions the time and place of the interview.

11.2 DATES OF POSTINGS; NOTICE OF INTERVIEW

Notice of any promotional vacancy shall be posted at least twenty (20) days prior to the filling of vacancies and shall state the deadline for receiving applications in the office of the Superintendent. Notice of extra-compensation position vacancies shall be posted at least ten (10) days prior to the filling of such vacancies. The Superintendent or his/her designee shall notify candidates as to the time and place of interview for promotional vacancies. On an emergency basis, a position may be filled on a temporary basis until the procedures of this Article can be followed.

11.3 APPLICATION PROCEDURE

The applicant must be certified for the position, or the applicant's credit must be acceptable for certification. Any qualified teacher may apply for the positions described in Section 11.1 above, and all applications will be given due consideration. Application can be made by providing a written notice of interest to the Human Resources Office.

11.4 SELECTION BASIS

Selection for extra-compensation positions shall be based on the applicant's ability to relate to others, personality and character, health, academic background, District U-46 teaching experience, and ordinarily, a personal interview.

11.5 NON-DISCRIMINATION

Selections for appointment to promotional or extra-compensation positions shall be made without regard to race, creed, color, religion, national origin, sex, or marital status.

ARTICLE XII

Special Note: Both parties recognize that the provisions contained within Article XII can be difficult to fully comprehend. In an attempt to raise the level of understanding pertaining to reassignment and transfer a flowchart has been created. It is agreed that the Flowchart contained in the Memorandum of Understanding attached to this collective bargaining agreement will act as a source of direction on transfer/IVT/recall of RIF'd teachers. The language contained herein shall govern if it is found that a discrepancy exists between the two.

Reassignments and Transfers

12.1 DETERMINATION OF SENIORITY

Length of continuous service shall be computed from the most recent date on which the teacher commenced working on a full time basis, and will apply irrespective of intervening transfers from one area to another; in the event two or more teachers possess the same length of continuous service, the length of service will be computed from the date of hire. If the date of hire is the same, the date upon which the teacher(s) signed a contract shall be used. Sabbaticals and other leaves shall not generate additional seniority nor break the continuous service record of any employee. A teacher shall continue to accrue seniority when temporarily serving in a non-bargaining unit administrative position for a period not to exceed ninety (90) consecutive days. If a teacher temporarily serves in a non-bargaining unit administrative position for a period of not more than twenty-four (24) consecutive months and returns to the bargaining unit, he/she shall retain his/her accrued bargaining unit seniority. If a teacher serves in a non-bargaining unit administrative position in the District for a period of more than twenty-four (24) consecutive months and returns to the bargaining unit, he/she shall retain up to two years of previously accrued seniority.

12.2 CERTIFICATION REQUIREMENTS

No new teacher shall be employed who is not fully certificated in the grade level and/or subject area to which he/she is to be assigned, and the Board shall not employ a teacher with a provisional certificate except where equally qualified teachers with full certification have not

applied and except in cases of vocational training where state requirements have been met and where equally qualified teachers with full certification have not applied.

12.3 ASSIGNMENT WITHIN SCOPE OF CERTIFICATION

No teacher shall be assigned to teach in a grade level and/or subject area not within the scope of his/her teaching certificate or of his/her major or minor field of study, except in a temporary emergency.

12.4 NOTICE OF ASSIGNMENTS

All teachers shall be given written notice of any change in their school or schools, grade level and/or subject area assignments for the forthcoming semester no later than January 1 for the second semester or June 1 for the first semester. In no event shall changes in teachers' assignments be made, unless an emergency situation occurs.

12.5 REASSIGNMENT

A reassignment shall be defined as a change in grade level and/or subject area assignments.

- (a) When a reassignment is necessary due to a reduction in the number of teachers at a grade level and/or subject area, all volunteers shall be considered first.
- (b) In the absence of volunteers who are selected under (a) above:
 - (1) Teachers will be reassigned in the order as identified in 13.12 Seniority by Area, except where a higher ranking teacher among the statutory groupings possesses demonstrable qualifications which may allow for his/her reassignment.
 - (2) If reassignment is based on qualifications (written) the teacher shall have the option to grieve.
 - (3) In all cases where a teacher utilizes the grievance procedure and is awarded the relief sought, the statutory criteria in Section 24-1.5 of the School Code shall prevail in reassignment.
- (c) If a teacher has an assignment in more than one grade level/department, the teacher is considered to be in both grade levels/departments. For example, an elementary teacher who teaches a 2/3 split is considered to be in both grades 2 and 3 presuming they are qualified to hold each position. If the 2/3 split is eliminated, the affected teacher is considered to be in both

grade levels and can exercise his/her choice to remain at either grade level if he/she has more seniority than the other equally qualified teachers at the second and third grades.

- (d) If no vacancy exists or reassignment is not required as described in parts (a) and (b) above, teachers at the site may change assignments with the consent of the supervisor and the participating teachers.

12.6 TRANSFERS

A transfer shall be defined as a change from one building to another.

12.61 Posting of Vacancies

The Superintendent or his/her designee shall post in all school offices and faculty rooms, all known vacancies which will occur. Such vacancies shall be posted at least two (2) weeks prior to filling the vacancy on a permanent basis, provided that the position may be filled on a temporary basis until a permanent assignment is made. Any vacancies occurring after involuntary transfer shall be posted as vacant provided there are no qualified teachers on a recall list as identified in Article XIII.

12.62 Preference to Current Employees

No assignment of new teachers to a specific position in the school district shall be made until all pending requests for reassignment or transfer to that position have been given due consideration.

12.63 Transfer/Reassignment Criteria

The selection of a candidate to fill a vacancy shall be based upon the background, professional qualifications, mutual agreement of the teacher and administration, opportunity for professional growth and experience.

12.64 Transfer Selection Procedure

By April 15 for first semester transfers and November 15 for second semester transfers, the Human Resources Office shall compile and post a list of all available positions in the district by grade level and/or subject area and building. Teachers shall apply using the Human Resources online system..

12.65 Transfers

Involuntary transfers will be made only to prevent undue disruptions of the instructional program. It is therefore agreed as follows:

12.65.1 Voluntary

The district shall prepare and post a list of all available positions known to the district. Teachers may apply, on a voluntary basis, for reassignment to positions on the above posting within their building/department. All reassignments at the instructional site are permissible provided that the teacher is not vacating from or applying for a position defined within 12.9 Special Services Departments, except as allowed in section 12.91.

Volunteers from all buildings shall be considered first. Volunteers shall apply for positions from a list of all available positions known to the district after (a) above. At the completion of the voluntary step, teachers may apply for voluntary reassignment within the building/department provided that the teacher is not vacating from or applying for a position defined within 12.9 Special Services Departments, except as allowed in section 12.91.

12.65.2 Involuntary

After all volunteers have been considered, the lowest ranked teacher(s) as identified in 13.12 Seniority by Area in the building(s)/department(s) still requiring reductions shall be involuntarily transferred. This may create reassignment within the building/department.

Prior to the implementation of the Transfer/Reassignment process, positions for exclusion will be jointly identified by Human Resources and the ETA during Involuntary Transfer and therefore will not be available. When involuntary transfers are necessary, lists of positions in other schools shall be made available to all teachers being transferred. In filling such positions, all persons who are to be involuntarily transferred shall be offered the available positions in order of statutory ranking, from highest to lowest. In cases where the teacher is qualified to hold more than one available position, the teacher will indicate their order of preference and the district will assign the teacher. The district will endeavor to honor the indicated preference and provide a rationale for placement. All persons being involuntarily transferred shall be placed prior to newly hired teachers and no later than June 1.

12.66 Experimental Program Transfers

Any teacher transferred to an experimental or temporary program of the district shall be replaced by a full time teacher employed on an annual basis and shall be entitled to return to the teacher's former

position if the position exists or to a mutually agreed upon position upon termination or reduction of such programs. New teachers employed in such terminated or reduced programs shall be placed in appropriate vacant positions in the district.

12.7 EVENING/SUMMER SCHOOL, EXTRA-DUTY/EXTRA-PAY ASSIGNMENTS

Evening school and summer school assignments shall not be obligatory but shall be with the consent of the teacher. A qualified volunteer shall be accepted for any extra pay for extra duty positions before a qualified non-volunteer may be required to accept the position.

12.8 NOTIFICATION OF TRANSFER OR REASSIGNMENT

Teachers who have requested transfer or reassignment shall be notified in writing of the administration's action on said transfer or reassignment as soon as action is taken, but no later than by December 15 for second semester assignments and by August 1 for first semester assignments. In the event positions become available after June 1 and January 1 respectively, all requests for transfer still pending shall be given due consideration through the procedures designated in 12.6.

12.9 SPECIAL SERVICES DEPARTMENTS

For the purpose of Article XII, special services (LD/BD/EN/MLP/ILP, Cross-Cat, Early Childhood, Music, Art, Social Work, PE, etc.) will be considered district-wide buildings.

12.91 Special Service Departments - Reassignment

A reassignment in the Special Services Departments is defined as a change in a position within a building within the Special Services Departments.

12.92 Special Service Departments – Transfer

A transfer in the Special Services Departments is defined as a change from one building to another within the department.

ARTICLE XIII

Reduction in Force

13.1 REDUCTION IN FORCE

In the event the Board acts to decrease the number of teachers employed by it or to discontinue some particular type of teaching service, teachers shall be removed from employment in line with the following procedure:

13.11 Tenure Law Notice

The provisions of Section 24.12 of the School Code shall be followed with respect to notice and the application of the statutory groupings including legally permissible modifications made by the statutory Joint Committee provided for in Section 24-12 (b). .

13.12 Seniority by Area

Seniority shall be applied in accordance with the sequence of honorable dismissal list and statutory groupings prepared in compliance with Section 24-12 (b). Teachers in lower statutory groupings shall be removed before those in higher statutory groupings. Within each grouping, teachers will be identified from lowest to highest placement on the sequence of honorable dismissal list in accordance with the statutory criteria. To the extent seniority plays a role in determining the order of removal of teachers within their statutory grouping, teachers shall be removed from employment in reverse order of the respective lengths of continuous service among the teachers then assigned within the area(s) being reduced or discontinued.

The district shall maintain a seniority listing by areas as defined in 13.12.1. To the extent seniority plays a role in determining the order of removal of teachers, in the event a teacher who is reduced in a position in one area has a higher statutory ranking than a teacher in another area who is retained, and the reduced teacher is qualified as agreed in 13.14 to teach in the position and area where the lesser ranked employee is retained, the reduced employee may bump the retained employee.

13.12.1 Areas

For purposes of this procedure, the following shall be deemed "areas" district-wide:

Early Childhood

Kindergarten - 6

Middle School Departments

High School Departments

Elementary School Physical Education

Elementary School Art

Elementary School Music

English Language Learner

Special Education Departments (including Nurses, Social Work, and Psychologists)

13.13 Reinstatement Procedure

The teachers (tenure and probationary) within Group 4 and Group 3 shall be reinstated if the Board has any vacancies for the following school term or within one calendar year from the beginning of the following school term. The teachers (tenure and probationary) within Group 2 based on one (1) Needs Improvement and one (1) Proficient/Excellent summative rating shall be reinstated if the Board has any vacancies for the following school term or within six months from the beginning of the following school term. Teachers shall be recalled in the reverse order of their termination by areas as established in 13.12.1 if they have taught at least one year in the district or if they were employed prior to October 1 and taught the remaining portion of the school year. The school district shall not recall teachers to positions other than those for which they are legally qualified under the School Code and Rules and Regulations promulgated by the Illinois State Board of Education, in effect at that time, to hold such a position. The teachers shall maintain a current address and phone number at the Human Resources Office of the district.

13.14 Recall Benefits

Unless modified under the Agreement in force at the time the teacher returns from layoff, all benefits to which the teacher was entitled at the time of his/her layoff, including seniority, salary schedule placement, unused accumulated sick leave and experience toward leave eligibility, will be restored to the teacher upon his/her return to active employment and the teacher will be placed on the proper step of the salary schedule for the teacher's current position according to the teacher's experience and education.

ARTICLE XIV

Teacher Appraisal

14.1 PURPOSES OF APPRAISAL

The parties recognize that appraisal is something that is done with a teacher and not to a teacher. The parties further recognize the importance and value of developing a procedure for assisting and appraising the progress and success of both newly employed and experienced personnel. Therefore, the following procedure shall be used to accomplish these goals with teachers.

14.2 TEACHER APPRAISAL

The parties agree that the Teacher Appraisal Plan (TAP) is incorporated herein by reference and is a part of this Agreement in its entirety.

14.21 The U46/ETA Teacher Appraisal Plan Oversight Committee

The Teacher Appraisal Plan Oversight Committee will be co-chaired by representatives of the ETA and the district and shall consist of 12 members. The committee will minimally meet quarterly but will meet more often if necessary in order to complete its tasks. The committee can recommend changes to the district and the ETA. Any such changes must be approved by the ETA Representative Assembly. This U46/ETA evaluation committee can appoint ad hoc committees to help it do its work.

The committee is charged with:

- Identifying, developing and monitoring the ongoing training necessary for all staff
- Gathering feedback from all stakeholders through surveys on how the system is working in relationship to the values and belief statements
- Providing examples for options, goals, portfolios, and self-directed inquiries
- Reporting and communicating to all stakeholders
- Exploring and learning about peer assessment and review
- Developing the system for tenured teachers who need assistance
- Recommend a meeting structure
- Composition of committee – a cross section of the district (LPDC, Staff Development, etc.)

- Keys-like survey of sites
- Ongoing review of the Teacher Appraisal Plan as it evolves

The committee does not review the efficacy of any evaluation given to a teacher by the administration.

14.3 ORIENTATION TO TEACHER APPRAISAL PLAN

Orientation of all teachers who are to be appraised shall occur prior to implementation. This shall include a discussion of the teacher appraisal plan (TAP) and instruction related to accessing the online appraisal system. Group and/or individual orientation to the total process shall be completed by October 1.

14.4 KNOWLEDGE OF APPRAISAL

All classroom observations of teachers for purposes of appraisal shall be conducted openly and with the full knowledge of the teacher.

14.5 SIGNATURE ON FORMS

The evaluator and teacher shall sign the report before it is placed in the teacher's personnel file in the Human Resources Office. Such signature by the teacher only acknowledges that he/she has read the report and does not necessarily indicate agreement with its contents.

14.51 Teacher Personnel File

The teacher will receive a copy of all written reports to be placed in his/her personnel file in the Human Resources Office. Such file shall be the only personnel file for each employee in the district. A written report shall be defined as a report written by a district administrator. The teacher shall have the right to attach his/her response to any such report placed in the personnel file, and to include any additional information. Each teacher shall have the right, upon request, and under the supervision of Human Resources, to review and reproduce at his/her own cost, the contents of his/her personnel file excluding confidential college credentials, confidential outside recommendations, or confidential information given by previous employers.

14.6 SECOND EVALUATOR

In the event the teacher requests to be evaluated by a second evaluator, such request must be submitted to Human Resources in writing. Human Resources shall make such an appointment upon receiving this request. These supplementary evaluations (the number of which shall be set up at the time of the determination of the second

evaluator) shall not be interpreted as a disruption or an interference with the primary evaluation procedure established in this Agreement.

14.7 PEER ASSISTANCE AND REVIEW (PAR)

14.71 PAR Program

The PAR Program is a yearlong process that involves frequent, ongoing, classroom-based assistance and a standards based review of a teacher's practice. Aimed at improving teacher quality, a trained Peer Consultant Teacher (PCT) provides personalized assistance and instructional support for Participating Teachers (PT) who are interested in improving their professional practice and voluntarily request to participate.

The PAR program affirms the district's efforts to support and appraise teachers based on the guidelines of the district's Teacher Appraisal Process (TAP). PAR is fully aligned with TAP and utilizes the same domain rubrics, observation cycles and ISBE descriptors that define the TAP process. Participating Teachers (PT) in PAR use the same forms, follow the same timelines, complete the same events, and adhere to guidelines as outlined in the TAP document.

14.72 PAR Panel Composition

The PAR Panel (Panel) is a group of eight (8) members. Four (4) teachers appointed by the ETA President and four (4) administrators appointed by the Superintendent or designee to oversee all aspects of the PAR Program. The ETA President will determine the Teacher Co-chair and the Superintendent or Designee will determine the Admin Co-chair. All Panel members will become certified teacher evaluators.

14.73 Scope of Activity

The Panel will monitor the PAR program. The scope of the work will include but is not limited to processing the volunteer participants, implementing professional development for the Panel and PCT, and overseeing the reconsideration process. The Panel can make recommended changes to the program as described in the PAR Handbook. The Panel shall have productive and reciprocal relationship with the TAP Oversight Committee. The Panel will make its decisions through the consensus process.

14.8 REMEDIATION

If a tenure teacher is rated unsatisfactory, the District shall develop a remediation plan pursuant to the Illinois School Code and Rules and Regulations promulgated by the Illinois State Board of Education. The

remediation plan shall be designed only to correct the remediable areas identified as unsatisfactory and shall provide for classroom observation time for the consulting teacher to observe the teacher under remediation.

14.9 DISCHARGE OR INVOLUNTARY CHANGE OF TENURE TEACHER

14.9.1 Standard to be Applied

Any discharge or other involuntary change in a tenure teacher's assignment or status shall be for just cause.

14.9.2 Legal Rights of Teachers

Any conference or hearing with a teacher regarding discharge or other change in the teacher's assignment or status shall be conducted in a manner so as to not abrogate the teacher's rights according to the Illinois School Code or the provisions of this Agreement.

ARTICLE XV

Staff Development

15.1 SCHOOL IMPROVEMENT COMMITTEE

On an annual basis each school shall establish a School Improvement Committee. It is understood and agreed that any teacher violating this provision of the Agreement shall be subject to disciplinary action by the Board up to and including dismissal.

The Board agrees that it will not lockout the teachers during the term of this Agreement, provided that the Board's exercise of its rights to reduce the number of teachers, to discharge a tenure teacher for cause, and/or to refuse to renew the contract of a non-tenure or probationary teacher, shall not be construed as a lockout.

All members of the bargaining unit may choose to be included in the health insurance program underwritten by the Board. Effective January 1, 2005, each employee who qualifies will be able to choose from the available plans offered by the Board. The Board and Association understand that plan design and the monitoring of the comprehensive insurance plan will be the responsibility of the District Insurance Committee of which the Association is a charter member. As outlined in the Healthcare Committee Charter, there shall be a standing committee to be known as the District Health Care Committee, comprised of 5 administrative members, 5 ETA members, 5 Region 63 support staff members, and 1 SEIU member, with authority and responsibilities as described in this Charter. The Committee is established to monitor, advise, evaluate, and make recommendations, including changes, concerning the Health Care Plan to the Board of Education. The District Insurance Committee will see that appeal procedures are in place with providers for matters of plan and benefit interpretation and, therefore, such matters will not be subject to the grievance procedure contained within this Agreement.

The contribution for employees for single, employee + spouse, employee + dependent children, or employee + spouse + dependent children (family) coverage will be 10% of the rate established in the applicable calendar year by an independent actuary selected by the Board after consultation with the District Health Insurance Committee. If the estimated aggregate per employee per year cost of the medical program (determined by the independent actuary) increases by more than 5% in a single calendar year, each employee's contribution of 10% of the medical plan and coverage elected will increase by \$130 per calendar year regardless of the type of medical option or coverage elected. If the estimated aggregate per employee per calendar year cost of the medical program increases by more than 8% in a single calendar year, each employee's contribution will increase by the amount set above for the 5% change plus an additional \$65 regardless of the type of medical option or coverage elected. Teachers' contributions shall be made on a pro-rated basis through payroll

deduction, and, in accord with applicable federal laws and regulations, will be on a pre-tax basis to the extent allowed by state and federal law and regulations.

The district shall provide each teacher with long-term disability insurance with terms as mutually agreed to by the parties to this Agreement.

26.5 PART-TIME STAFF

A certificated staff member who is not employed full-time, will be responsible for the cost of his/her own fringe benefits on a prorated basis.

- (a) Disability ceases,
- (b) The teacher becomes eligible for long term disability as designated in 26.4, or
- (c) A temporarily disabled teacher when eligible for long term disability as designated in 26.4 shall be given an

Those guidelines shall be in compliance with HIPPA regulations and agreed to by the ETA.

If a teacher is on disability for more than three (3) years, the teacher shall be returned to a comparable position upon his/her return to full-time employment. Comparable position shall mean a position at the same level (elementary, middle school or high school) and the same grade for elementary or subject area assignment for secondary.

26.9 LIGHT DUTY

A teacher who has experienced an injury covered by workers compensation will not be required to perform light duty that is not part of his or her job description and is not certificated work or that would violate medical restrictions. The teacher will be placed in the assignment he or she was in when injured unless such a placement is not possible or is not in the best interests of the students or the teacher. Before a teacher is placed in any other assignment, a meeting will be held with the teacher and representatives from the ETA and HR to discuss reasons for not returning the teacher to his or her original assignment and to determine the most appropriate alternative assignment.

26.10 FLEXIBLE SPENDING ACCOUNTS

In accordance with federal law and regulations, the District shall make available to each employee a dependent care flexible account and a health care flexible spending account. These accounts shall be funded solely through salary-reduction contributions made by the employee to cover eligible expenses which the employee may incur. However, an employee who elects a medical program option which also provides a

Health Savings Account may not elect to have a health care flexible spending account. The maximum contribution to the health care spending account shall be \$2,500 per calendar year. The current and future maximum contribution to the dependent care spending account shall be in accordance with federal law and regulations.

ARTICLE XXVII

Compensation

27.1 SALARY SCHEDULE

The basic salaries of teachers covered by this Agreement shall be as set forth in Appendix E for the 2014-15, 2015-16, and 2016-17 school terms, which is attached to and incorporated in this Agreement.

- (b) Half credit for next ten (10) years of experience.
- (c) Maximum credit for prior experience - ten (10) years.

27.12 Longevity Increase

In addition to the salary schedule as provided in Appendix E, teachers who have completed seventeen (17) years of experience shall receive an increase in salary of one (1) percent of the previous year's salary in each column. The increase of one (1) percent per year of the previous year's salary in each column shall continue through thirty (30) years of experience.

27.2 WITHHOLDING OF SALARY INCREMENTS

While the adoption of a salary schedule shall not serve to lower the basic salary of any teacher, neither does it imply an automatic increase to all tenure members of the staff. An increase may be withheld when the professional contribution of a staff member is unsatisfactory. To withhold an increase shall be interpreted as freezing the teacher at his/her previous year's salary experience step. When the salary of a teacher at the last experience step is frozen, that teacher's salary shall be frozen to an extent not greater than the amount of the normal increment in that salary lane. To withhold an increase, however, the staff member in question must have been given notice in writing prior to January 1 that any increase for said staff member may be in jeopardy. The reasons for such action should be written after consultation with the staff member involved. Teachers frozen on the

salary schedule for reasons of unsatisfactory performance shall be advanced only one (1) step on the salary schedule upon showing evidence of satisfactory performance.

27.3 EXTRA PAY SCHEDULE FOR EXTRA DUTIES

Extra pay for extra duty positions shall be those as set forth in Appendix F, which is attached to and incorporated in this Agreement. Teachers assigned to such positions shall be paid in accordance with said Appendix and all other provisions of this Agreement. Such positions shall be assigned only to members of the bargaining unit, except where a member has been the subject of a previous disciplinary action in an extra-duty position. The disciplinary action applied herein shall be subject to progressive discipline and just cause as per Section 2.12 and such disciplinary action shall not exceed (1) year. If no bargaining unit employee applies for a position, the district may appoint on a temporary basis, a person who is outside the bargaining unit. That person may retain the position for the duration of the season.

Teachers who receive extra pay for extra duty positions as set forth in Appendix F shall be paid for such positions on the first payday following the completion of the duty. Those teachers who hold positions that extend through the entire school year shall be paid for such positions in two installments; the first installment shall be paid in January and the remaining installment shall be paid in June.

27.4 TRAVEL EXPENSE

Any teacher who must use his/her personal automobile or otherwise provide his/her own transportation when on school district business shall be reimbursed by the Board at the IRS Standard Mileage Rate. Such mileage reimbursements shall not include routine travel to and from the teacher's home and the school to which he/she is assigned. The actual cost of other reasonable expenses incidental to travel, such as meals and lodging, when on school district business shall also be reimbursed by the Board.

27.5 ADJUSTMENTS TO HIGHER SALARY LEVELS

27.51 Salary Increment for Partial Year

- (a) A full time teacher shall be entitled to one (1) step (increment) on the salary schedule if he/she has worked and/or been paid for at least one (1) semester of the

school term. Such teacher will receive an additional step (increment) only after teaching two (2) more semesters.

- (b) Part time teachers must work and/or be paid for at least fifty percent time on an everyday basis for the entire year in order to advance one step on the salary schedule.
- (c) Half time or more persons who do not work the full year, but at least the equivalent of one full semester shall receive one half year credit for advancement on the salary schedule.
- (d) A teacher who is working less than on a half-time basis must work and/or be paid for the entire year in order to advance one half year credit on the salary schedule.

27.52 Additional Academic Credits

Official transcripts reflecting additional academic credits for salary adjustments are due by October 15, and February 15, and shall be reflected on the last check in November and March respectively, retroactive to the beginning of the semester. Academic Credits are defined as graduate level courses from an accredited college or university, as recognized by the ISBE or one of the six Regional Accrediting Bodies; Middle States Association of Colleges and Schools, New England Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Colleges and Schools, Southern Association of Colleges and Schools; and Western Association of Colleges and Schools. Upon receipt of National Board Certification and the district's receipt of the official transcripts from the American Council on Education (ACE), the district shall award nine (9) graduate credit hours in accordance with this section of the Agreement. Prior approval is not needed for graduate level courses from an accredited institution. Undergraduate courses or courses from an unaccredited institution require prior approval from Human Resources.

The unit of credit used is semester hours. Quarter hours will be converted to semester hours by using the following formula: Quarter hours x 0.6667 = semester hours.

27.53 Advancement Beyond the MA Column

Graduate credits that count for advancement beyond the Bachelor's (BA) column on the salary schedule must be earned after receipt of the Bachelor's degree. Credits that are earned prior to the receipt of the Bachelor's degree, including credits taken while an individual is

working toward a Bachelor's degree can not be counted for hours beyond the Bachelor's (BA) column.

Graduate credits that count for advancement beyond the Master's (MA) column on the salary schedule must be earned after receipt of the Master's degree. Credits that are earned prior to the receipt of the Master's degree, including credits taken while an individual is working toward a Master's degree can not be counted for hours beyond the Master's (MA) column.

27.6 REGULAR TEACHER SUBBING

A regularly employed teacher who is required to cover the duties of another teacher at the time the first teacher is normally unassigned (conference, lunch periods to the extent that this does not violate the Agreement or the law) shall be paid at the rate of \$23.53 per hour for 2014-15, \$23.77 per hour for 2015-16, and \$24.01 per hour for 2016-17 for each full hour of instruction or major fraction thereof.

27.7 RETIREMENT COMPENSATION

The teacher shall pay the TRS contribution via payroll deduction.

The district shall pay the 3/5% contribution to the Teachers Health Insurance Security (THIS) Fund for each teacher.

27.8 SALARY PAYMENT SCHEDULE

Teachers shall receive their annual salaries via 26 payments over a twelve month period. Payments shall be made every other Friday or, if a payday is a holiday when schools are closed, on the preceding workday which is not a holiday.

Teachers who were employed by the district prior to January 1, 1994, and who opted to receive their annual salaries bimonthly for a ten (10) month period by so advising the Payroll Office, in writing, no later than July 1, 1994 will also receive their payments every other Friday. Such teacher may switch to a 12-month period for any subsequent school year by giving written notice to the Payroll Office by July 1 of that school year; however, the teacher may not make any further changes thereafter during his/her employment with the district.

27.9 DEDUCTIONS FOR ABSENCE

Deductions for personnel during the regular school term for daily absences not covered by provisions of this Agreement shall be made at the rate of 1/194th of the contractual annual salary per day.

Further, the parties agree that where an entire building is devoted to a new and/or experimental program, teachers who wish to transfer into this building shall also be eligible to participate in the preliminary transfer step.

ADDENDUM C

Teacher Mentor Program (TMP)

1. Teacher Mentor Program:

During the course of negotiations for the 2004-2007 ETA Agreement the Board and ETA discussed several important items. Because these items were discussed for the purposes of clarification and idea sharing, the parties agreed that the items should be memorialized. During the negotiations for the 2011 – 2014 ETA Agreement, additional changes recommended by the TMP Steering Committee were added. Recognizing the current stage in the evolution of the TMP, as recommended by the TMP Steering Committee, the negotiation of the 2014-2017 Agreement included the elimination of the Steering Committee and the reallocation of the Steering Committee’s duties to the Oversight Committee. The parties have set forth these ideas in this Memorandum of Understanding, and specifically agree that the following items are not intended to be part of the ETA Agreement, nor are they intended to be subject to the ETA grievance procedure. Included in these items are:

2. Teacher Leader for the TMP:

The Teacher Leader for the TMP will be continued on a yearly basis as a collective bargaining unit position reporting to Teacher Effectiveness Initiatives. The position will be funded on a basis as determined by the District, with the ETA making a contribution to the TMP on an annual basis. The Teacher Leader’s duties will be determined on an annual basis in consultation with the Oversight Committee.

3. Oversight Committee:

The existing Oversight Committee will be continued and paid at the same rate as mentors. Membership will consist of six ETA members, appointed by the ETA, and six District designees. The Committee’s duties will include matching mentors with beginning teachers, organizing and facilitating the training sessions, and performing other duties as assigned by the Teacher Leader. In addition to monitoring the Program, the Committee will make recommendations to the Superintendent regarding the continued implementation and effectiveness of the Program, including the position of the Teacher Leader for the TMP.

4. Compensation for Mentors and Mentees:

Each mentor/mentee team will be provided with a total of six (6) days of released time over a two year period or a prorated portion over a shorter period of time as the program requires. In addition, each team will be provided with release time for one (1) workshop. Stipends to mentors for each mentor/mentee relationships shall be paid at \$1,000 per year. The stipend includes attendance by the mentor at quarterly meetings. All new hires to the District will be required to participate in the Teacher Mentor Program and shall be paid at the hourly rate for their attendance at quarterly meetings.

EXPERIENCE STEPS

STEP I	STEP II	STEP III	STEP IV
0-3 years	4-6 years	7-8 years	9+ years

Teachers who had credited experience in one general classification, i.e., football coaching, cannot count that experience applicable to another duty assignment such as basketball.

The stipend for each sport is arrived at by multiplying the point value times the applicable dollar amount. The criteria used to determine the point values were determined by the ETA and the District. Current values reflect: length of season, number of participating athletes, number of contest dates, weekend variables, number of levels of competition, equipment and preparation, responsibility for safety, and numbers of assistant coaches.

 - a) Full credit for first two years.
 - b) Half credit for the next six years.
 - c) Only experience in the activity to which a teacher is assigned will be credited for placement on the schedule.

SIDE LETTERS

Class Size

During the course of negotiations for the 2011-2014 Agreement, the Association and the Board discussed parameters for staffing at elementary, middle and high schools. As a result of these discussions, the following agreements were reached with implementation beginning in the 2012/2013 school year:

- a) There will be no K-1 classrooms with both morning and afternoon kindergarten sections. K-1 classrooms with either a morning or afternoon kindergarten will be avoided whenever reasonably possible. If such a class must be scheduled, the classroom teacher shall be offered a para-educator during the time when both kindergarten and first grade students are present.
- b) Supervision by kindergarten teachers of a.m. class bus departures and p.m. class bus arrivals may reduce the planning time available to such teachers. Administration will avoid the assignment of such bus supervision whenever possible. Utilizing para-professional employees on a part or full-time basis may be an option for providing supervision during bus duty.
- c) Traveling kindergarten teachers shall be provided two hours per week in preparation assistance by a paraprofessional or clerical. The principals and the classroom teacher involved will jointly determine the allocation of the two hours.
- d) Any teacher who has a teaching load that is excessive as set forth below may file a written request with their immediate supervisor for resolution as follows:
 - 1) Kindergarten through second grade classrooms will be offered para-educator assistance for class sizes as follows:
 - i) 32 or more students for general education – full time para-educator will be offered
 - ii) 29 or more ELL or combination students – full time para-educator will be offered
 - iii) 30 or more students for general education, 3 hours per day of para-educator assistance will be offered.
 - iv) 27 or more ELL students or combination, 3 hours per day of para-educator assistance will be offered.

- 2) Third through sixth grade classrooms will be offered a full-time para-educator for class sizes that are comprised of:
 - i) 35 or more students for general education
 - ii) 32 or more students for ELL or combination.

The principal and the classroom teachers involved in the excessive class sizes may instead jointly determine to add a teacher at a ratio of 3 full-time assistants to 1 teacher.

The teacher of the qualifying classroom has the right of 1st refusal of the para-educator. If the teacher declines the assignment of a para-educator, the SIP team or SD can choose to present a rationale to the Human Resource department for the alternative use of the para-educator. Human Resources will provide a written response to all such requests within 10 business days of the SIP/SD request and the response shall be shared with the site and the ETA.

Prior to the final determination of class size or while problems in hiring a regular para-educator are being resolved, a teacher whose class exceeds the above numbers may request of his/her immediate supervisor temporary assignment of a para-educator. An initial response will be provided by the supervisor within three school days.

- e) If the average class size for a secondary physical education department exceeds staffing guidelines by more than 10%, the Department will be offered one or more para-pros to assist in performing departmental duties. Utilization of the para-pro(s) will be jointly determined by the Department administrator and physical education teachers at the qualifying site.

The determination of elementary class size shall be made fifteen (15) school days after the beginning of each semester. When special education students are mainstreamed into general education or ELL classrooms for a majority of the day (over 50%), they shall be included in the class count of the classroom to which they are mainstreamed for the purpose of assigning a teacher assistant.

District administration will report to the ETA the staffing allocation for each educational site as well as the number of student served at those sites two times per year:

- 1) On or before October 15 of the school year with current data
- 2) No later than 75 days prior to the end of the school year for the prospective school year

The report shall identify the allocation of all certified staff and those non-certified personnel serving in administrative roles who support the educational program as well any staffing guidelines used to determine those allocations.

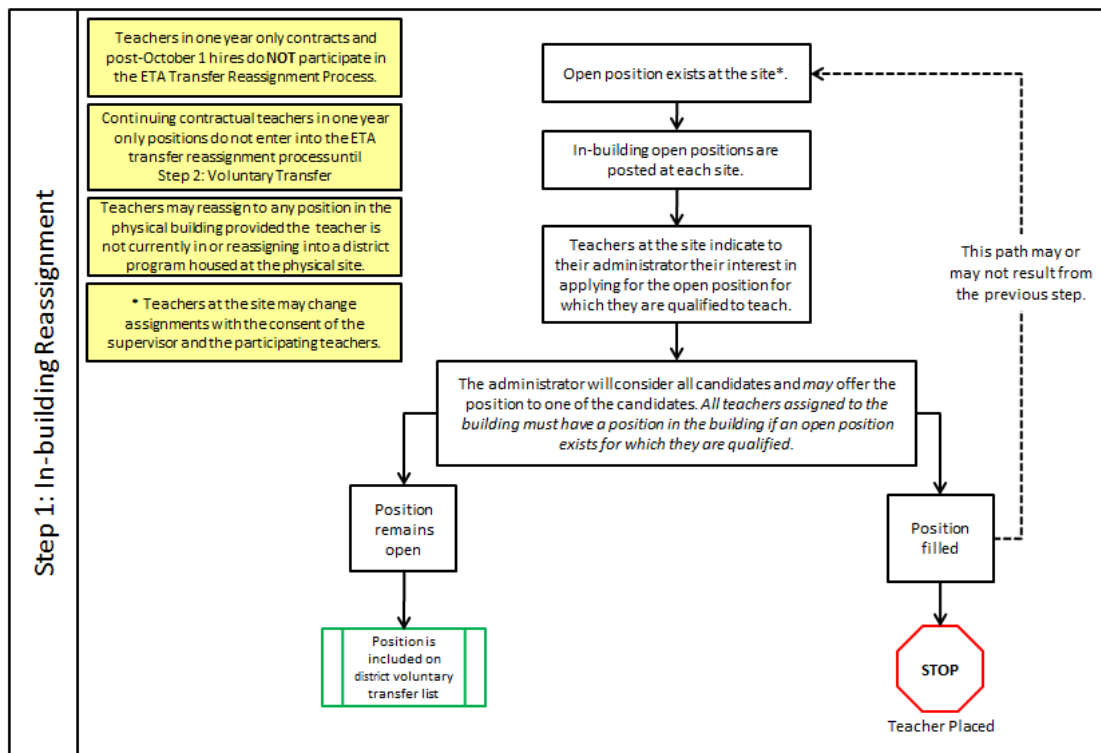

The provisions of this side letter shall be subject to the grievance and arbitration procedure set forth in the parties' 2014-2017 Agreement.

MEMORANDUM OF UNDERSTANDING

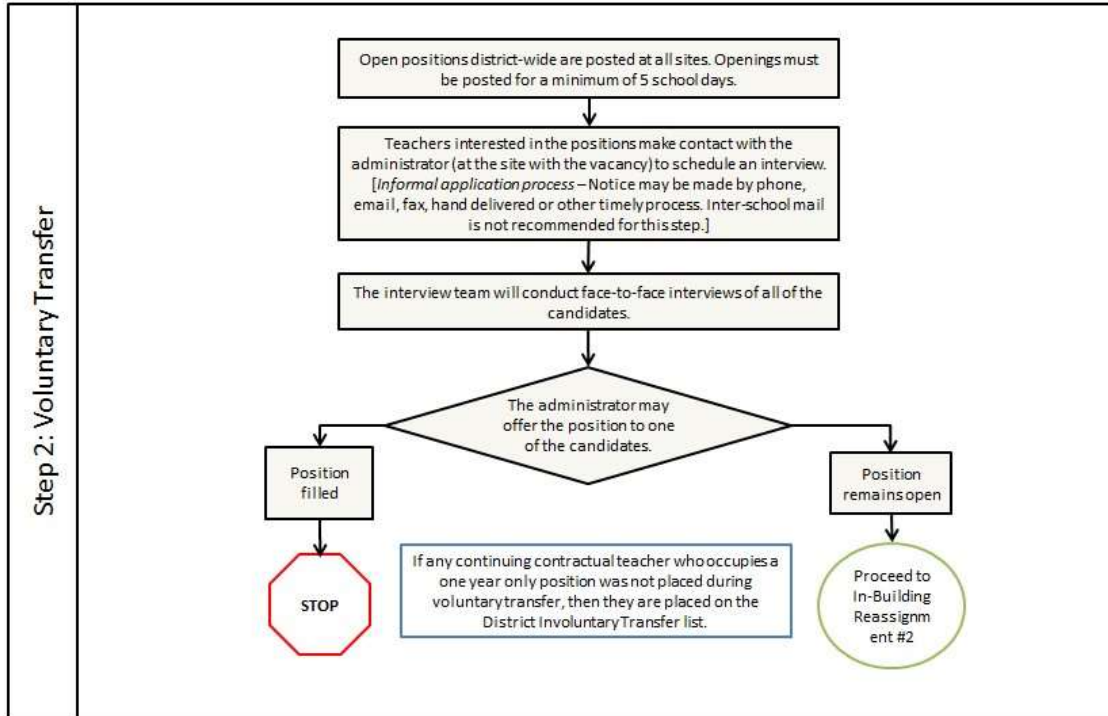

TITLE I, FLOWCHART

The District agrees to move the Title I teachers to the building list in accordance with the Memorandum dated December 11, 2006 for the start of the 2008-09 school year. It is agreed that the Flowchart presented in negotiations would continue as a source of direction on transfer/IVT/recall of RIF'd teachers.

Memorandum of Understanding

Para-Educator Intervention Team (PIT)

During negotiation of the 2011-2014 Elgin Agreement, the parties discussed the benefits of effective student intervention services that have been provided by the PIT and staffing arrangements that might best meet that need for such services. Because the number of requests for services varies from time to time, the parties agreed that it would be appropriate to staff these services through a combination of full-time employees and on-call employees, all of whom would be properly trained by District U-46 Special Services.

The parties agree that effective the beginning of the 2012-13 school year, the PIT program will be staffed with a minimum of one full-time, trained employee. The District further agrees to recruit and maintain a list of at least five (5) individuals who will be trained and available to perform PIT services on-call. The District will post the on-call position continuously. If by August 15 the number of trained individuals on the on-call list is less than five (5) the District will post and hire a second full-time employee for the remainder of the school year.

Also, during the remainder of the school year, if the number of on-call employees on the list falls below five (5) for ten (10) consecutive work days, the District will post and hire a second FTE for the remainder of the school year. Regardless of the number of FTEs hired, the District will continue its efforts to maintain an on-call list of at least five (5).

Memorandum of Understanding

Early Childhood

During the course of negotiations leading to the 2007-2010 negotiated Agreement, extensive discussion was had on Early Childhood programs and funding. Both parties understand that due to the grant-funded nature of this program, it is difficult to set parameters on negotiated terms and conditions of employment regarding early childhood teachers. The parties did discuss topics related to parent/teacher conferences, teacher home visits, bus stipends and family activities. The parties agree that for the duration of this Agreement, teachers shall not be required to engage in after school family activities unless required by any grants. The parties also agree that there will be an effort to schedule 8 days for home visits on Early Childhood student non-attendance days. The parties further agree that subject to any grant requirements, there shall only be one parent/teacher conference required for each student.

Memorandum of Understanding

Teacher Appraisal Plan

During the course of discussions leading to the creation and implementation of the Teacher Appraisal Plan, the parties had significant conversations about the purpose and intent of the Plan. Those ideals, which were embodied in the values of the plan, promote inclusion and participation. As a result, the parties agree that the purpose, values and beliefs statements will not be grievable.

As well, in the spirit of cooperation, participants who attempt to use the procedural aspects of the Plan mutually agree to evade, delay or frustrate the intent of the Plan shall not be supported.

Memorandum of Understanding

Continuum of Services Special Education

During the course of negotiations of the 2010-2011 Elgin Agreement, there were discussions regarding continuum of special education services, an examination of caseloads on special education teachers, and allotment of resources available to special education to address issues related to class management. As a result of these discussions it was agreed that the Special Education Committee would examine the issues of caseloads and continuum of special education services and provide any reports on such issues to the Superintendent for consideration.

Memorandum of Understanding

Teacher Shortage

During the course of discussions of the 2007-2010 Elgin Agreement, the parties discussed the issues of teacher shortage area within the District. As a result of these discussions it was agreed that teacher shortages in specialized areas such as bilingual education and special education have created a need to jointly explore options to attracting and retaining individuals in these areas. The parties agreed to jointly create a committee to explore options to attracting and retaining teachers in shortage areas and bring a recommendation back to the Superintendent.

Memorandum of Agreement

Teacher Feedback about Building/Program Performance

During the bargaining of the 2011-2014 Agreement, the joint bargaining team shared a consensus regarding the important role that all certified staff have in the effectiveness of the District's educational program. The team also recognized the power and value of timely, regular, objective, and formative feedback to inform professional growth. The Teacher Appraisal Plan (TAP) provides a process and framework for assessing teachers from this perspective, and the parties agree that the values and beliefs embodied in TAP should also guide efforts to provide feedback from teachers to administrators as administrators endeavor to perform the work of the district and improve their professional practice and building/program performance.

Pursuant to this understanding, the parties will form a Joint Committee for the purpose of developing an instrument and process enabling teachers to provide formative feedback to building and program administrators and their evaluators. The Committee will be composed of four administrators appointed by the Superintendent and four teachers appointed by the ETA and will be co-chaired by one individual from each group. The Committee will develop an instrument to be administered annually to teachers, plan the process of implementation, and provide on-going oversight over the use of the instrument. The Committee will take into consideration the interests developed in the IBB process.

It is intended that the instrument will be administered annually in late November or early December. Participation by administrators will be voluntary. Results will be tabulated by central administration and provided to the applicable program or building administrator for his or her formative use. Recognizing that this is a new endeavor and that this effort should be treated as a pilot project to determine if it works effectively, the parties agree that this MOA shall expire at the end of the 2016-2017 school year, unless the parties expressly agree at that time to extend it.

Memorandum of Understanding

Veteran's Day Observance

During the course of bargaining of the 2011-2014 Elgin Agreement, many shared interests were identified in regards to the impact of the observation of the day for veterans, families of veterans, and students alike, as well as the desire for continuity of the instructional program as it pertains to the school district calendar. Since Veteran's Day is attached to a specific calendar day it floats throughout the school week and this characteristic impacts the instructional program particularly when the date falls on a Tuesday, Wednesday, or Thursday.

Balancing the above stated interests it was agreed to remove Veteran's Day from the listing of School Holidays as identified in the District document Rationale for Calendar Development, referenced in 25.1 Starting Dates; School Calendar, and instead create item 1 F - Veteran's Day in the same document. This change shall not increase nor decrease the number of teacher attendance days as identified in 25.2 Notification.
