

Dec. 2019

Cougar Chronicle

A PAWS/PBIS MONTHLY NOTIFICATION

Canton PAWS Expectations

- * *Positive Attitude* * *Act Responsibly*
- * *Work Hard* * *Show Respect*

December PAWS Parent Tip

Parents/guardians should be aware of all computer and phone media that their child is using including social media accounts such as Twitter, Snap Chat or Instagram. Most social media sites have a minimum age requirement in order to create an account. A good recommendation is to check your child's media regularly to make sure they are making safe and appropriate decisions.

December Monthly Behavior Focus At Canton

Be kind...

Our goal is to fill canton with kindness between Dec. 3 and Dec. 12. We will fill a designated area on the wall in the commons to recognize the kind actions of students and staff at Canton. All students will be recognized with a reward on December 19 if we meet our goal.

Technology Use and Safety at School

At school phones are to be off and stowed away during content area class periods. Chromebooks should be charged and ready to use daily. Students are expected only to search on websites assigned by the teacher while in a class at school. Students may not use their phones to video and/or photograph at school. Talk with your child about your technology expectations at home.

Dec. Look Ahead

- **12/3 Morning Cougar Store**
- **12/3 PBIS monthly video on mindfulness**
- **12/13 Lunch Store**
- **12/19 Monthly reward Period 2 distribution: Goal: Fill Canton with kindness**
- **11/19 Afternoon assembly**

Editors and contributors:
Mrs. Hofmann

Thank You
