3. Virtual Gallery Walk (4:30 - 4:35)
4. [Survey to send to your buildings](#)

We took 9 minutes to review the material (at lesat 3 sessions - you can also see the data in the link above) and then met in breakout rooms for 14 minutes to discuss and fill out the jamboard (linked above if you'd like to review what the participants saw in the information). Then we spent 4 minutes reviewing what the other groups had written. After that activity, Sara acknowledged that the feedback is only one part of the feedback that we need about PD. We are asking that all PD reps share the survey with their buildings to get as much feedback as possible about PD needs to help us plan PD moving forward.

C. Application Work/Application Scoring Training (4:35 - 4:55)
1. Scorers will head to the breakout room to score the applications
2. All other meeting members will stay in main room and complete the training
   a) [Sample Application Work](#)

Scorers worked on 3 applications. Everyone else worked on reading and scoring the sample application. As time was running short, we did not complete the pear deck activity to calibrate scoring as a group. All committee members should complete the pear deck activity on their own and we will provide feedback before the next meeting as well as find a way to survey members to see who would like to be part of the scoring subcommittee.

IV. Next Steps (4:55 - 5:00)
A. Report Out at Building (Sara/Heather)
B. [October PD Updates](#)
C. Next Meeting: November 4, 2021
