Committee questions centered around the time commitment of the summer training (1 day, mid-july) and the ongoing support that will be provided to teachers. Key points that we learned:

- The PD in mid-July is hosted by the company and allows teachers to access a wider community of educators. Prior topics for this session include how to work with the mentors and how to help students manage the financial part of the course
- The 1:1 support is ongoing throughout the course and teachers working with the IncubatorEDU have found it helpful so far.
- This course is currently only for the academy students at SHS and the teachers who would need this PD are very limited

C. Contract Language Review Discussions (4:25 - 4:55)

Groups met to discuss their assigned sections. Responses can be seen in the documents linked above.
