This proposal encompasses several classes that will round out the Sophomore year experience at the LEAD Magnet Academy. The PD requirements are primarily resource/technology focused and would impact a minimal amount of staff. The plan included reasonable requirements and time allotments for the PD as well as plans for how to include current and future teachers. The PD committee did not have any questions after the presentation was complete.
 - B. DCD Information/Time for Questions

On Thursday, 1/12/2023, all U-46 staff who are required to attend the DCD on 1/27 received communication about their assigned requirements. Please make sure you follow the registration directions that you received for your PD. Here are some of the common questions and answers:

 1. *I'm an ELA teacher (Civics, ALE, etc.), why was I assigned to the Teaching the Holocaust session?*

The Holocaust session will use a wide variety of teaching methods and learning tasks that will be useful and engaging for many different subject areas. While you may not directly cover the content, the learning targets and standards will relate for all HS ELA and SS.
 2. *What if I think I'm in the wrong session?*
