*The Early Learner team came to present their PD plan around the updated units, new report card format, and incorporation of Learning Genie for all of the Pre-K and K teachers during the 23-24 SY. Their plan will utilize the DCD sessions for large portions of the PD but also be supported by ongoing optional PD and coaching. The slides provide a great overview of the sessions and early learning teachers with additional questions should reach out to their coach!*
    2. LHS Arts Magnet Revision - Jaimie Giraldo
      - a) [PD Proposal](#)

*The LHS Magnet academy will be rolling out new curriculum in the 24-25 school year. In order to support this, the team will have 1 full day of required PD for each area of the magnet academy during the 23-24 SY. The majority of teachers affected by the PD plan also help to write the new curriculum which means that they are aware of the requirement as well as the plan for adopting the new curriculum. The PD proposal provides more detailed information.*

b) [Slide Deck](#)

*After Japanese 1 was brought forward last year and rolled out into buildings, the team started working on what the curriculum would look like for the next level of the Japanese curriculum. Similar to the LHS Magnet PD, the team that would need the PD is also the team that wrote the curriculum. This change affects only a few teachers and requires minimal PD time. The details, as well as the work that the team did during the 22-23 SY, are detailed in the Slide Deck and PD proposal.*

C. [Academic Teaming Make-Up Plan](#) - Heather

*We are working to ensure that all educators who should have received Academic Teaming sessions to support their work in the classroom have been able to attend. Within the next week, messages will be sent to administrators as well as individual teachers with the make-up options for Academic Teaming. There is a new make-up option that teachers can complete using evidence from their classrooms or observation visits. Details about that option can be found in the linked slide deck.*

D. [2023/2024 PD Calendar Updates](#) - Heather

*The DCD, PPD, SIP day assignments for the 23/24 calendar have been confirmed. The dates and rationale for the placement can be found in the linked slide deck.*
