The Mechanical Universe and Beyond Lab for IPS

.

Watch 4 videos and complete the worksheets for those 4 videos

Hotlinks to the videos can be found on the worksheet "<u>The Mechanical Universe and Beyond Chapter Titles</u>" or you can search the <u>Caltech YouTube</u> page by episode number.

Watch the video for unit # 6, Newton's Laws.

As you watch the video complete the worksheet for unit # 6 that can be found on my website that contained on the Dream Academy website. https://www.u-46.org/Page/15536

Choose any other three videos from the document "Mechanical Universe and Beyond Chapter Titles"

To complete this lab attach the 4 worksheets and turn into your teacher.

| Unit # | Unit Name | Date completed |
|--------|---------------|----------------|
| # 6 | Newton's Laws | |
