Real Estate Professionals Invited to Learn More About U-46

Annual breakfast presentation scheduled for March 18

ELGIN - Real estate agents, brokers, trainers, property managers, and appraisers are invited to a Real Estate Professionals Breakfast to learn more about the state's second largest school district before the busy spring home buying season.

The breakfast is being co-hosted by School District U-46 and the Citizens' Advisory Council's Family and Community Engagement Committee. It will be held from 9 a.m. to 10 a.m. on Monday, March 18 at the U-46 Food and Nutrition Wellness Center, 1150 Bowes Road, Elgin. Those who work in the real estate industry and who want to attend the free event are asked to RSVP [here](#) by March 13.

"Our school district serves all or part of 11 communities in Chicago's northwest suburbs, and those of us who work in U-46 know that this area is a great destination for potential homebuyers," said CEO Tony Sanders. "Through this breakfast gathering, we will share many of our District's strengths, unique attributes, and future plans. We're excited to continue partnering with real estate professionals and welcoming new residents to our schools and communities."

CEO Sanders will speak at the event, and attendees will also be able to tour the Food and Nutrition Wellness Center, which opened in June 2018. The new 40,000-square-foot facility has allowed U-46 to serve a more diverse and healthier range of food options.

Attendees will learn about the District's award-winning Dual Language program, its successful play-based, full-day kindergarten model, and the unique specialized Academies located within its five high schools. They will
